Do you know how much money you'd have to invest at your local bank in order to earn an extra \$700.00 a month in residual income? A whopping \$168,000 if you had a 5% Interest bearing CD! (See www.BankRate.com for today's current CD Rate!)

The Above example shows your potential earnings with just 20 people in your group buying 100 leads a month! You can also sponsor more than 4 people on your 1st level.
